 - TTPC Update: January 2026

Item #6

VOTE: Title VI Plan

Presenter: Ron Achelpohl, MARC

Item #7

REPORT: KC 2026 Mobility Concept

Presenters: Martin Rivarola, MARC
Meghan Jansen, KC 2026

Item #8

REPORT: Housing Transportation Coordination Plan

Presenters: Cy Splichal, MARC

Overview

- Background on MARC Housing and Transportation
- Purpose and Scope of Study
- How to get involved

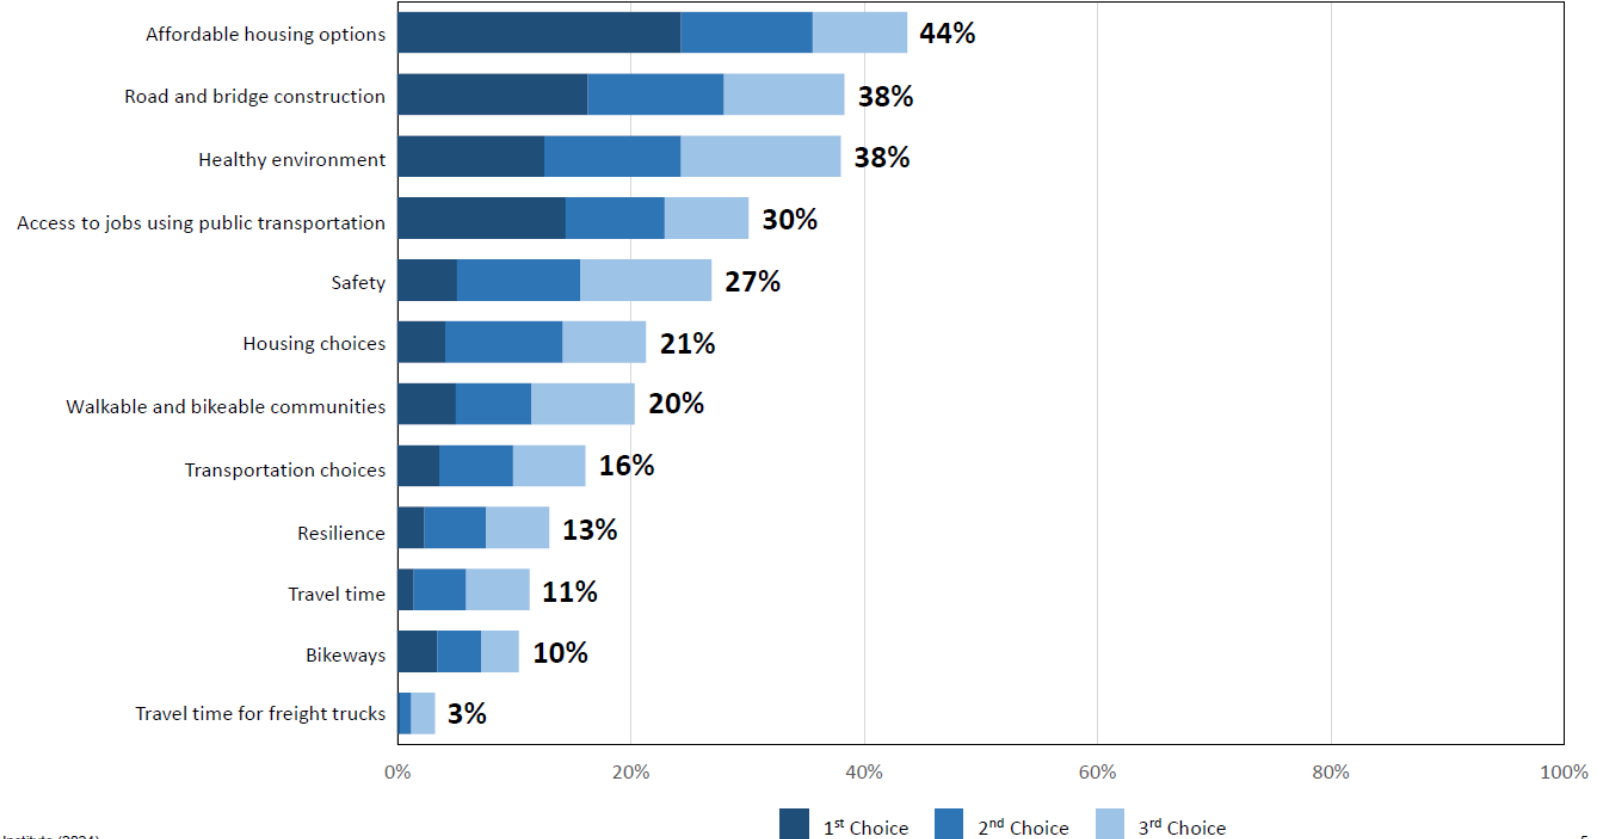

NEW

2023 region-wide statistically valid survey

Objective

- Assess resident perceptions and opinions on regional transportation issues
- Better understand community needs and what transportation investments should be used to respond
- 9-county. 1770 responses

Q3. Which THREE Of The Items In Question 2 Do You Think Should Be PRIORITIZED In The Region Over The Next Five Years?
 by percentage of respondents who selected the item as one of their top three choices

MTP added housing-related Goals and Strategies...

NEW

WHAT WE WANT...

GOAL:

Reduce housing/ transportation cost burden for residents and increase attainability of housing by planning for and connecting housing to our region's activity centers and corridors

WHAT WE'LL DO TO GET THERE!

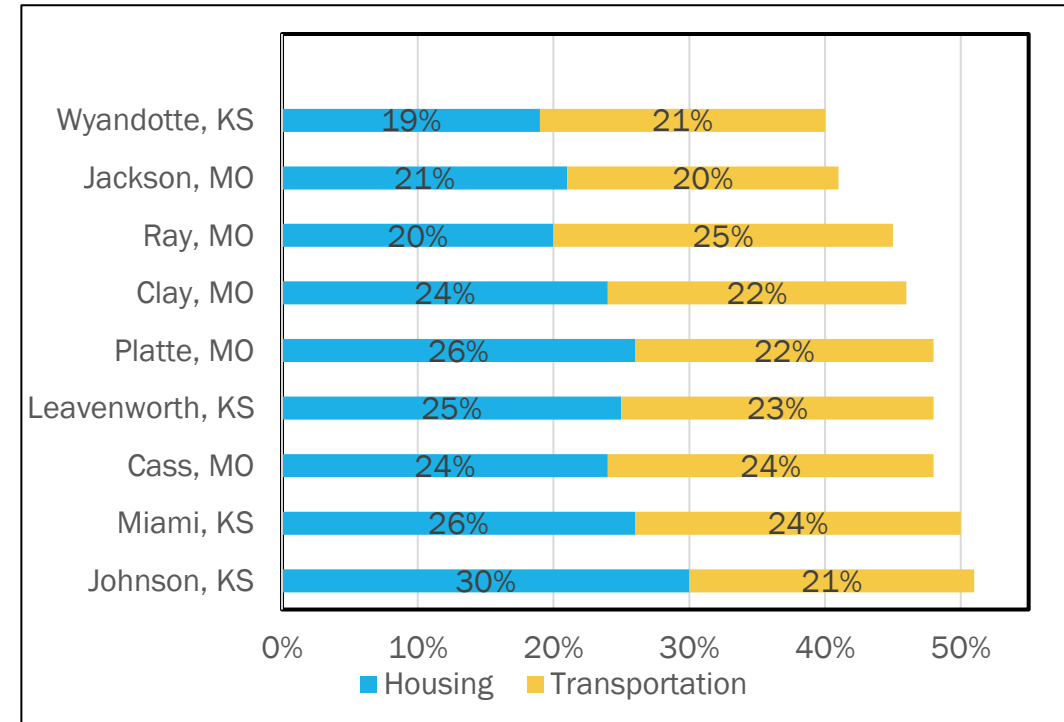

STRATEGIES:

- Prioritize transportation strategies & funding to support multiple housing types in locations near and within activity centers and corridors with transit, bicycle / pedestrian options.
 - Ensure diverse, high-quality, and affordable housing options are available and accessible to all in the region.
 - Support regional coordination, awareness, and collaboration of businesses, organizations, and communities with transportation planning.
- 

Purpose and Scope of Study

Existing Conditions

- **Geospatial Analysis**
- **Policy Analysis**
- **Economic Analysis**
- **Suitability Analysis**

Stakeholder Engagement

Perspectives to consider include but are not limited to:

- Local or Municipal Representatives
- Housing Agencies/Non-profits
- Economic Development Agencies
- Developers and Lenders
- Transit and Mobility Agencies
- Advocacy Organizations

Establish Goals and Strategies for Regional Planning

Identify specific recommendations for implementation for local municipalities and regional organizations:

H+T Cost
Burden

Transportation
Demand
Management

Livable
Communities

Air Quality

Access to
Daily Needs

Green
Infrastructure

Access to
Employment

Efficient Land
Use

Anti-
displacement

Transportation
planning

Business Plan to Synthesize Transportation & Housing Planning

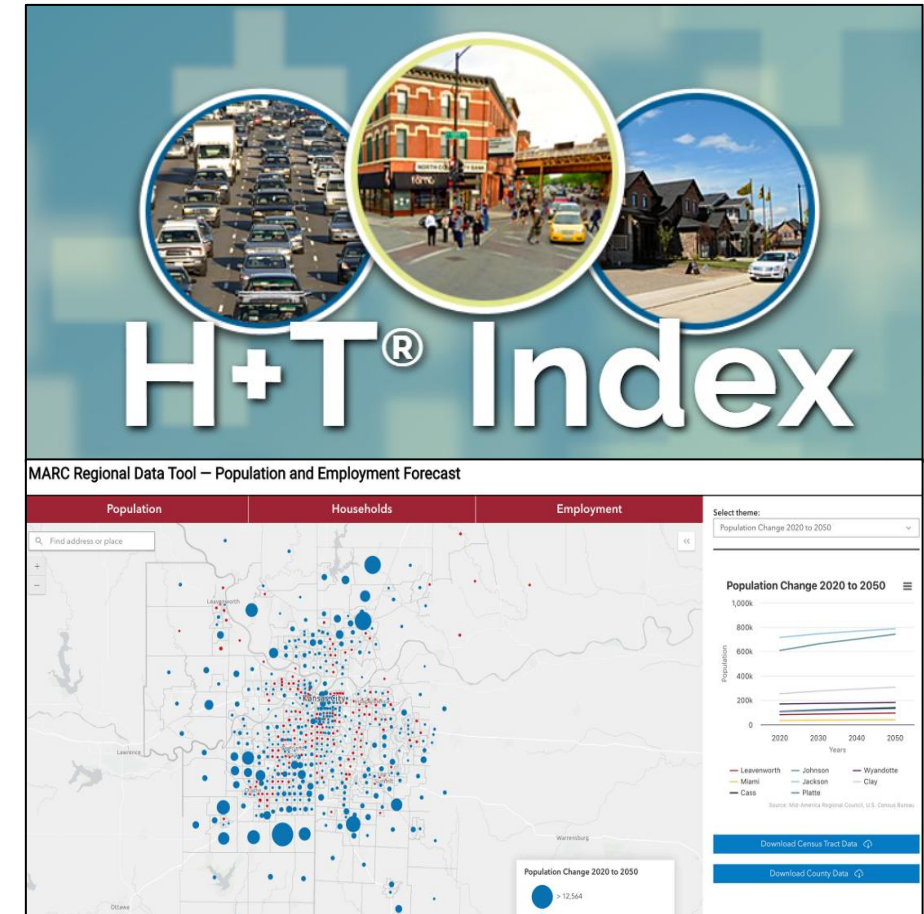

Review and synthesize transportation planning efforts with housing goals, strategies, and recommendations.

Study past transportation projects from PSP, TIP, and MTP to identify types of transportation projects provide the most support to housing access.

Technical Resources for Planning

- Best Practices
- Potential ordinances/regulations
- Data/mapping tools
- Improved land use models
- Planning toolkits

How to stay involved

MARC Housing and Transportation
Coordination Study

Thank you!

Cy Splichal
Transportation Planner
